FLAGPOLE GETS RESTORATION

One of the things I recall with fondness about our course is the concrete flower garden in which the flag of our great Nation has flown since I can remember. I am proud that we have flown Old Glory for the past several decades. Recently, as some of you are aware, our flagpole was removed and repainted and restored along with a brand new flag.

I want to sincerely thank Carl Hale, Jay Headrick and Ron Turner who helped make our flagpole and flag look wonderful again. Members also donated funds to this project and this was for a great cause and the club thanks each and every one of you.

I also want to point out, the City of Salem with the use of one of their bucket trucks, helped remove the flag until it was restored and they came back and re-set the pole when the project was complete. They did not charge the club for their service. To the City of Salem, we thank you for your help. It was much appreciated.

ODE TO THE FLAG

By Linda Sheehan Cunningham

Our Nation's Flag is a stirring sight as it flutters proudly in the breeze. Its colors of blue, red and white mean so much to you and me. Red stands for courage and hardiness. The white means innocence and purity. Blue for justice, perseverance and vigilance in its promise to keep us free. This banner stands for a bountiful land, its government, people, and ideals. The stripes from the thirteen colonies stand, Its symbolism is very real. Each State now is represented by a star of white on blue. President Washington first presented The American Flag to You. Many brave men have fought and died to protect it from dishonor and disgrace. Wives have mourned and mothers have cried so we could remain...the United States of America. The sight of this Banner brings feeling of joy, of courage, pride and freedom to all. A symbol of our nation in all its glory.....

Rob Benowitz holed out a nine iron one night in men's league from 120 yards out. Congrats Rob!

THE MEMORIAL TOURNAMENT RESULTS...

On August 24th and 25th, Spring Creek Golf Club hosted a 4-person Memorial tournament to honor our past members and loved ones who are no longer with us. Tournament Director Joe Enloe did a great job of organizing and running this tournament.

A big thanks goes out to all the players who played in the tournament and all the members and friends and loved ones who donated to the event. Special flags were flown that day on the flag sticks and custom t-shirts were also sold in the clubhouse listing all those honored in the tournament.

This is a great event and great cause. Let's continue to support and grow this tournament.

BACK TO BACK CHAMPIONSHIPS FOR HAMPTON...

The individual stroke play club tournament was held Saturday and Sunday, September 10th and 11th. For the second year in a row, Wes Hampton won the club championship.

With just 5 holes to play, Doug Arts had the lead and Mike Johnson, Stewart Carmier and Wes Hampton all within a stroke or two. The golfers battled it out with all players in the hunt for the title.

In final hole of regulation play, Wes Hampton birdied the 18th hole and won the tournament outright. This was Hampton's second in a row, who won last year's tournament in a playoff with former Club Champion, Rick Huff. Hampton has proven to be one tough competitor in individual stroke play. Congratulations Wes! Spring Creek Golf Club is proud to have you represent us as our club champion.

Remarks-In the last published newsletter, Joe Enloe was accidentally omitted from the list of the Board of Directors and I wanted to recognize S.N. Ball for his gift of time in caulking the pool to get it ready for Summer.
